- Consolidations - advanced
- Recent changes

Jazzit Administrator

If you are responsible for updating Jazzit from our website, or making changes to the Jazzit templates, this course is for you. We cover updating templates, tracking your revisions, and how to handle the most frequently requested customizations.

- Customizing headers and footers including firm letterhead
- Updating your KL1B from the Snack bar
- Adding foreign exchange to the generator
- Changing the name of note modules (e.g., additional policy 1)
- Dealing with document ID conflicts with other CaseWare templates (e.g. CPA / CGA programs and checklists)
- Proposed new templates
- Commonly requested statement customization
- Changing firm profile information
- Adding options to pop-up menus
- Style sheets for underlining and cell group options
- Modifying the generator for interim reporting
- Open discussion period
